

6290W Color Touchscreen

Elegantly Simple Security System Control

Introducing the new 7" Color Touchscreen Keypad with Voice Annunciation from Resideo – the ideal choice for increasing keypad revenue on new installations, as well as an easy upgrade opportunity for existing VISTA® customers.

Easy To Use

- Backplate designed to easily update or retrofit current 6160 and 6280W installs
- Clean touchscreen display with easily identifiable icons and prompts
- Critical software updates via push from Resideo or local onsite updates via the 6290W SD card slot
- Authorized users can simply add and delete user codes

Features Your Customers Want

- High resolution 7" WSVGA with a resolution of 1024 x 600
- Stylish, tablet-like design only 1" off the wall
- Clear voice annunciation of system status, type of alarm and affected zone
- Event log tracks when system is disarmed by temporary guests or family members
- Streamlined arming/disarming and zone-bypassing
